

VIOMAN

by Ryan Sutter

Inside:

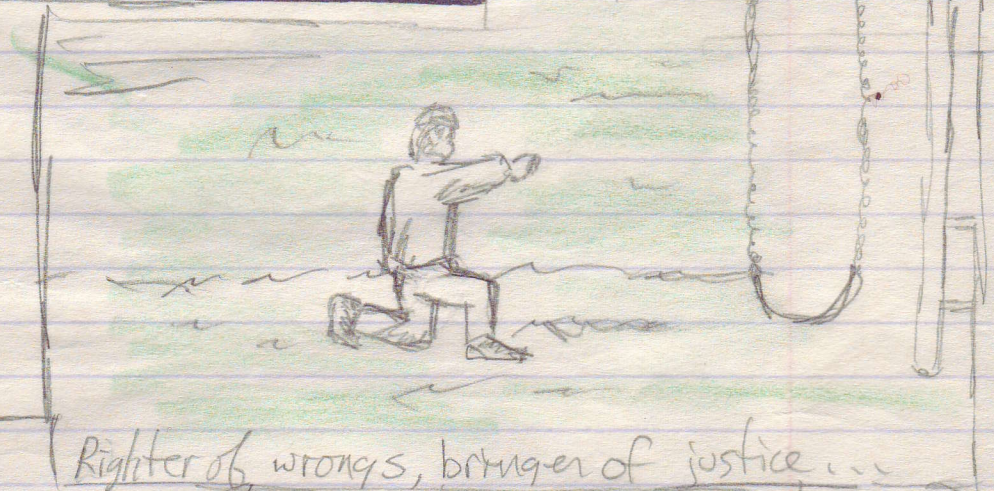

Vio-man's origin!

RS

The human mind is a strange place, and little does this little boy know, when he plays super-hero he creates one ^{in his head...}

And so, Jimmy Pattern once again dons his purple jean jacket and becomes **VIO-MAN!**

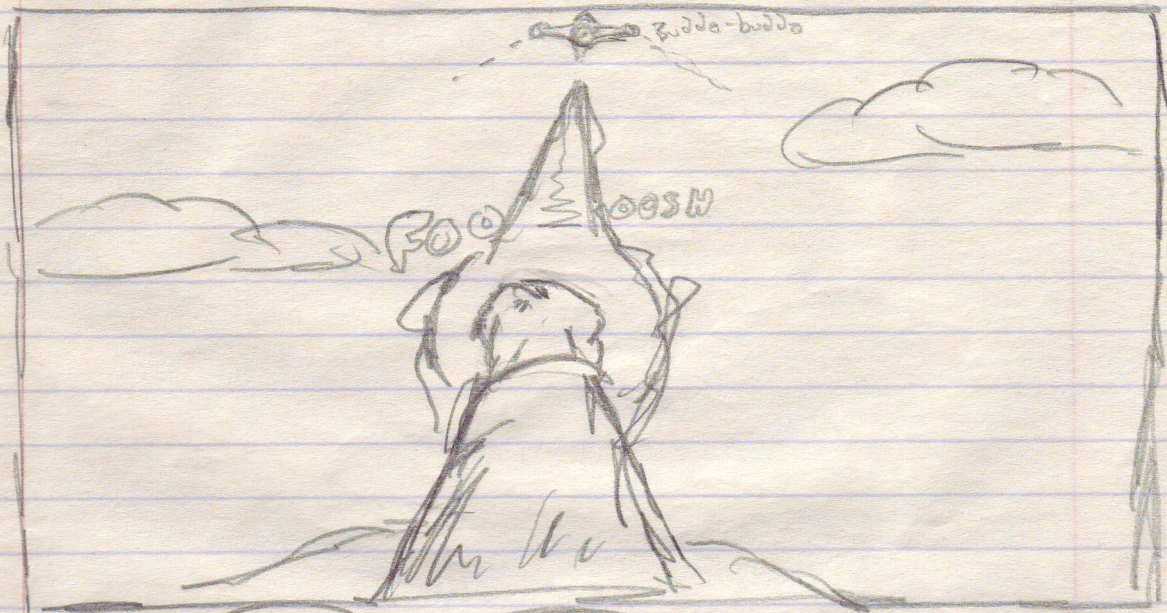

Righter of wrongs, bringer of justice...

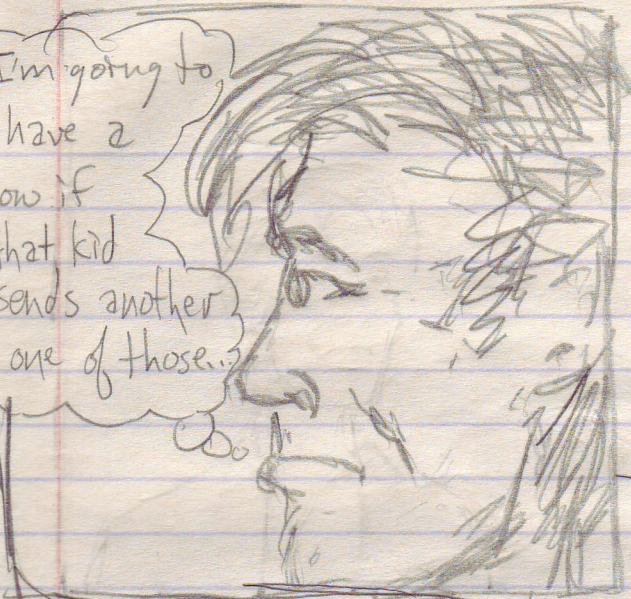

A hero having a bad day.

rat-a-tat-tat

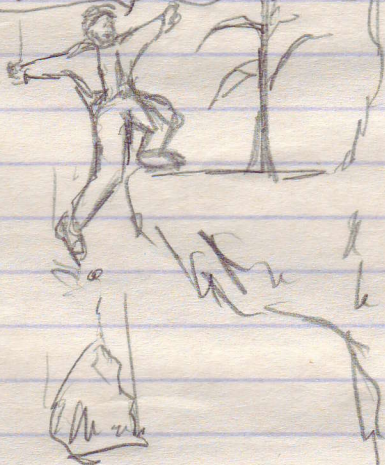

I'm going to have a cow if that kid sends another one of those...

SNAP

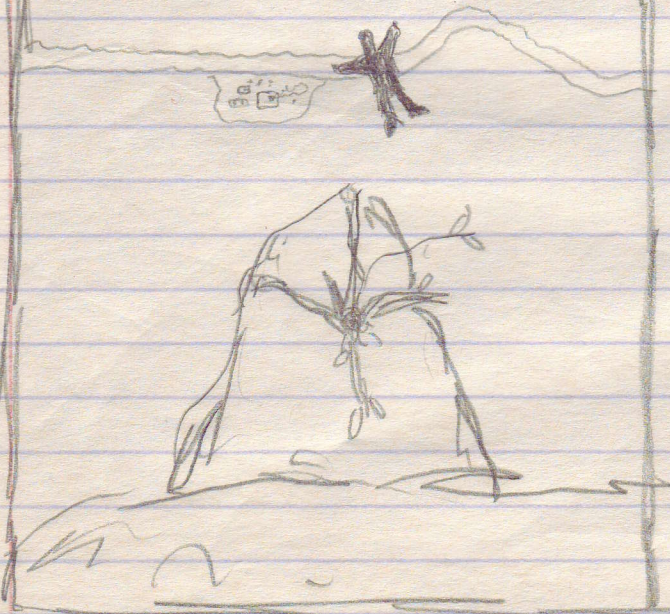

WHOA!

OOPS!

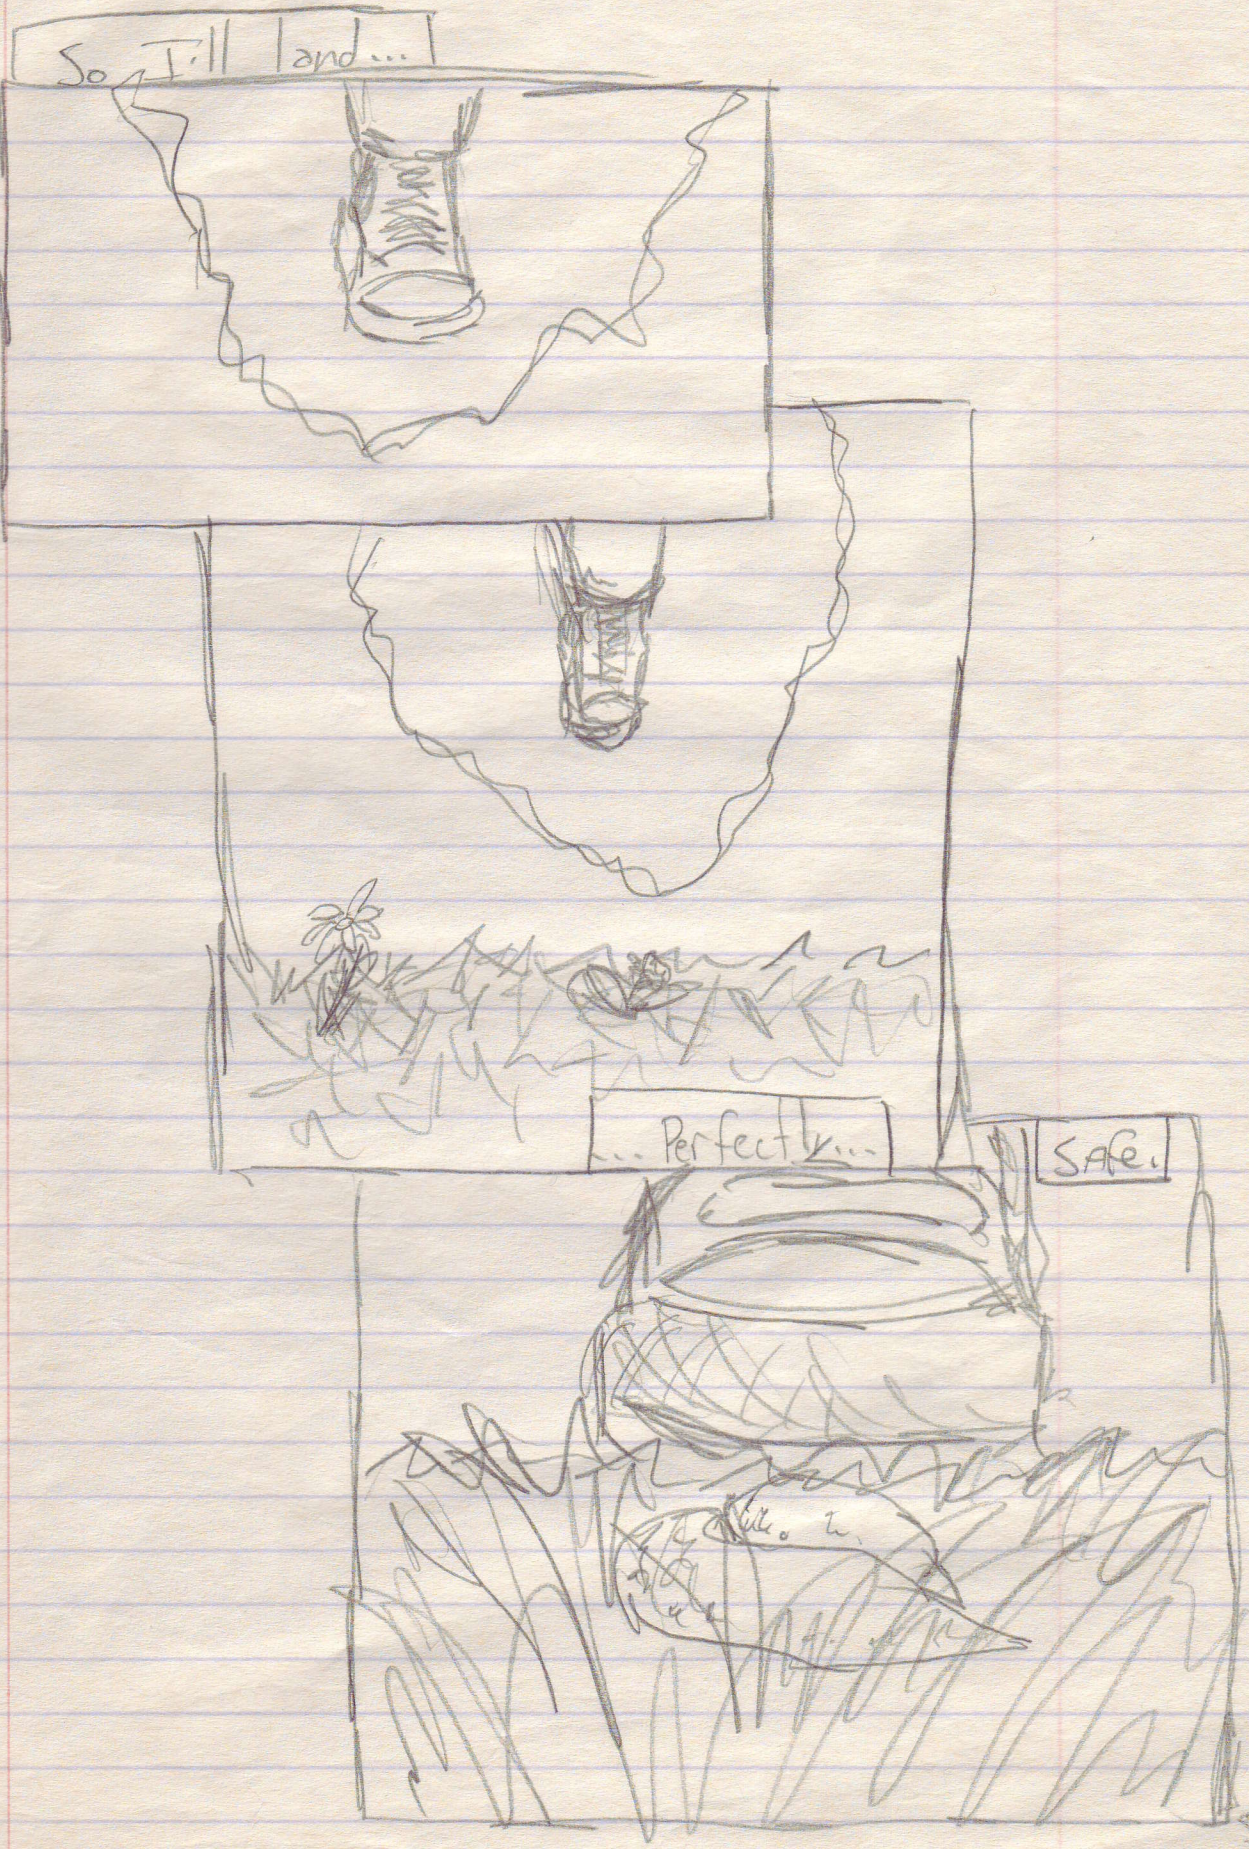

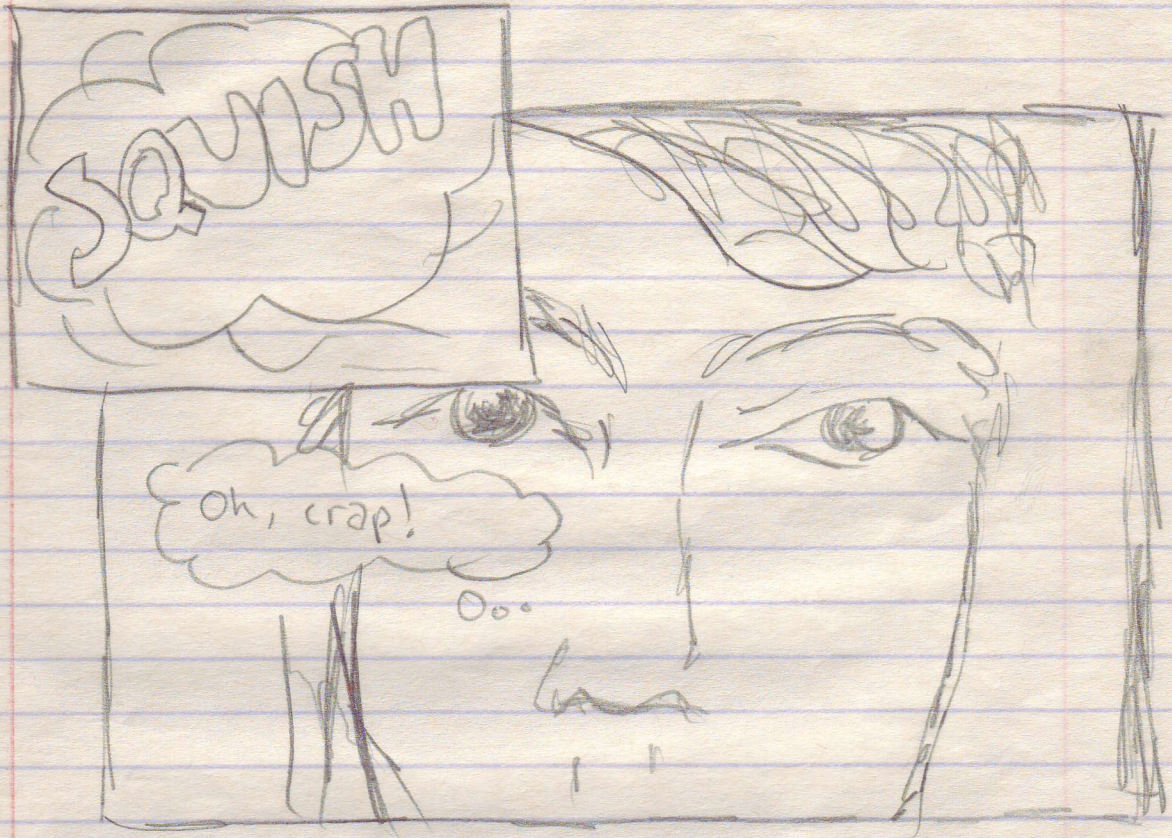

Stopid kid...

Luckily I can fly using my Vio-energy

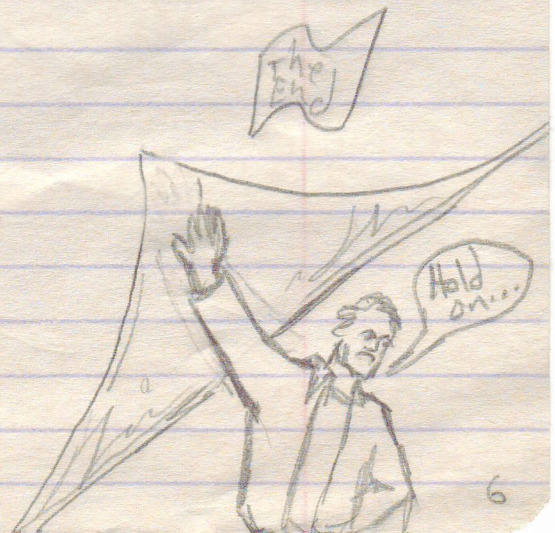

How will Vio-man escape this evil trap?! Don't miss next issue when we present!

VIO-MAN VS.
The Mad-Crapper!

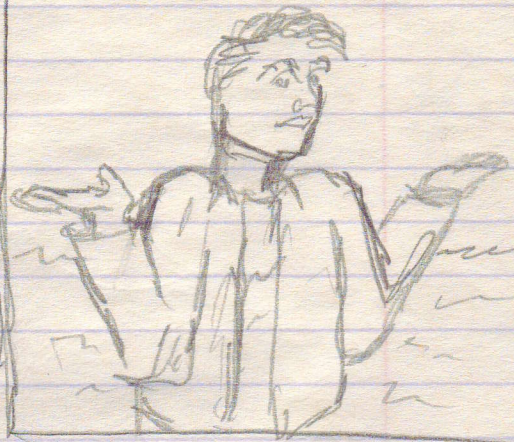

I'm not about to waste my Viro-energy

on a lunatic who drops pieces of "manure" everywhere! I'll have to imprison every dog in the neighborhood!

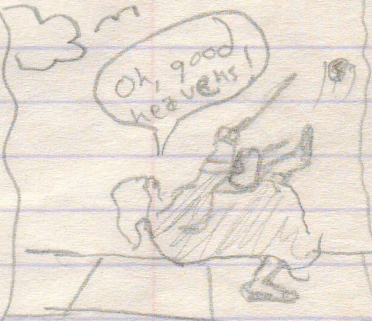

I mean, imagine it!

An old woman walks down a sidewalk

Suddenly, she slips on a manure "bomb."

Now what? ... The showdown ...

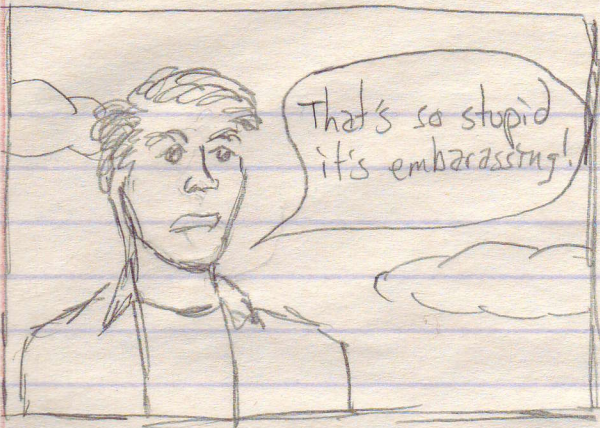

OK, mad-crapper!

You've taken your last dump!

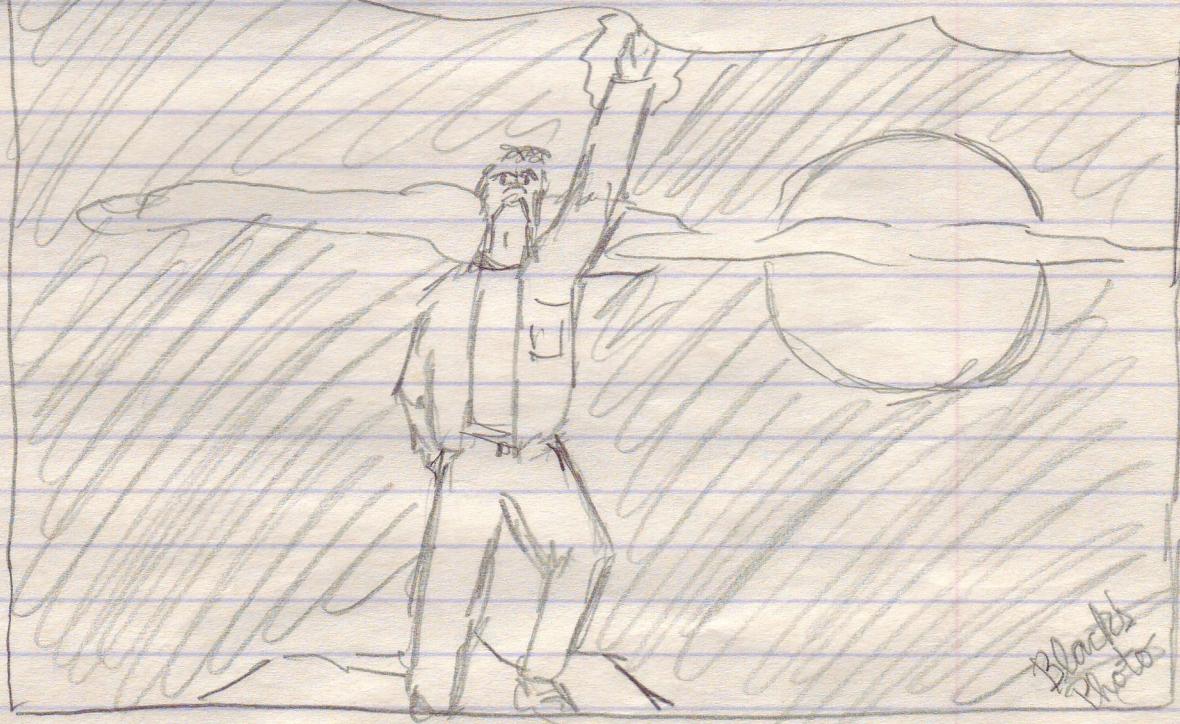

Curses, foiled again!

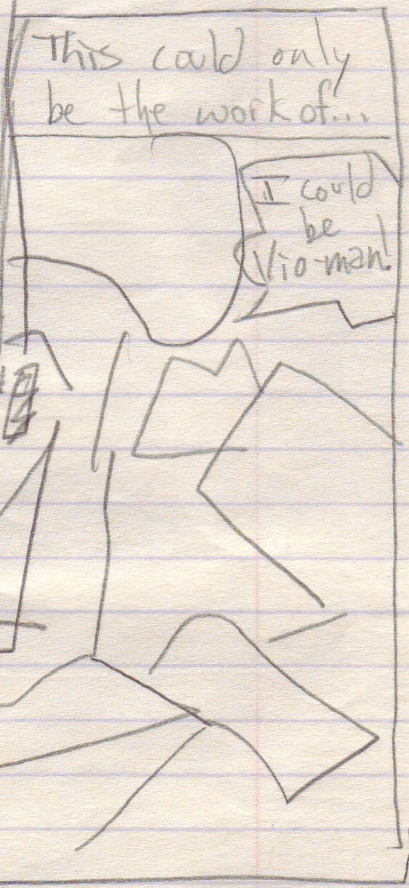

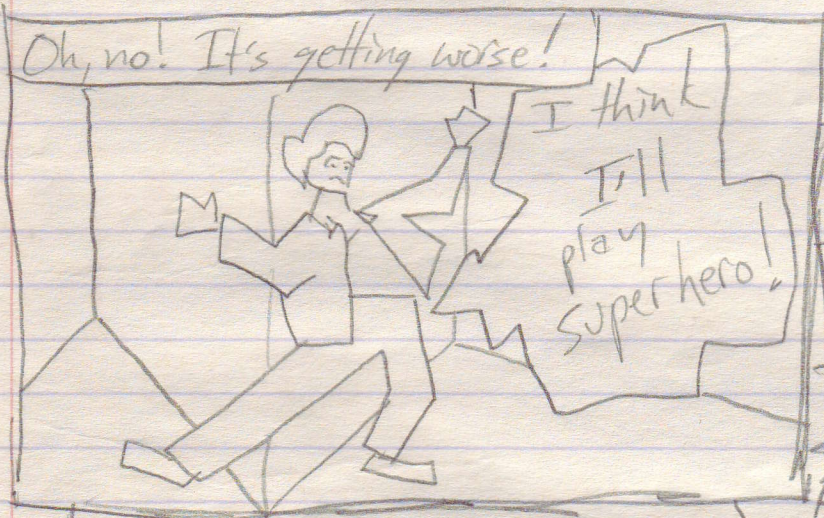

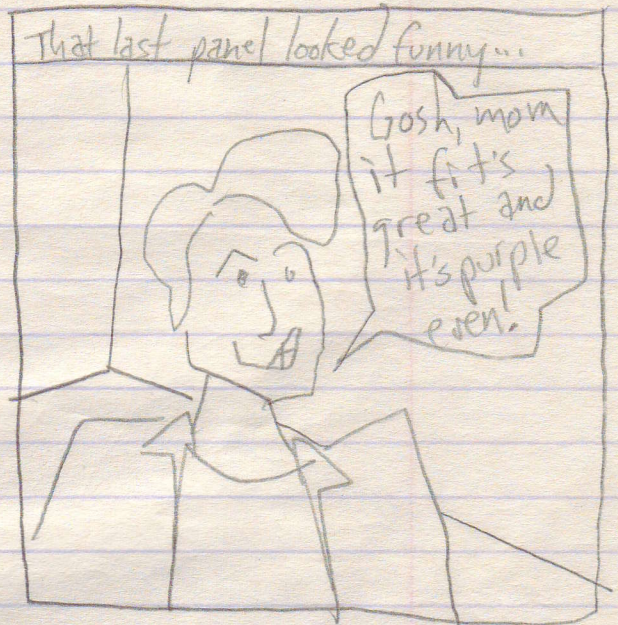

So instead we offer.....

THE **AWESOME**
ORIGIN OF
VIO-MAN!

Black's
Photos

It all started innocently enough on page 9 of
Viro-man #1

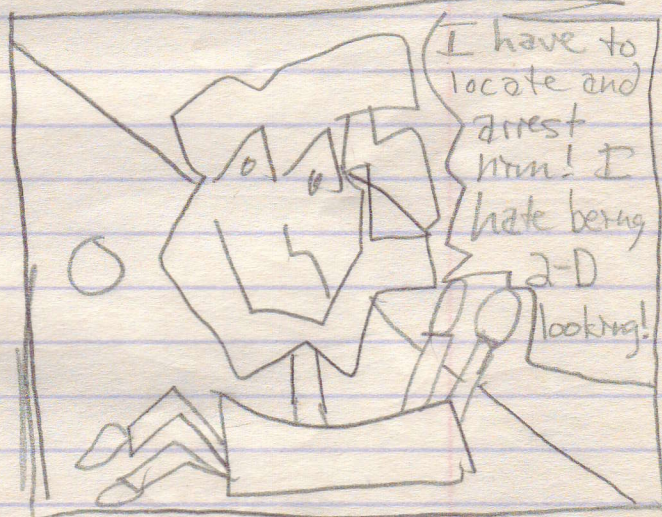

THE ABSTRACTIONIST!

Time for
VIO-MAN!

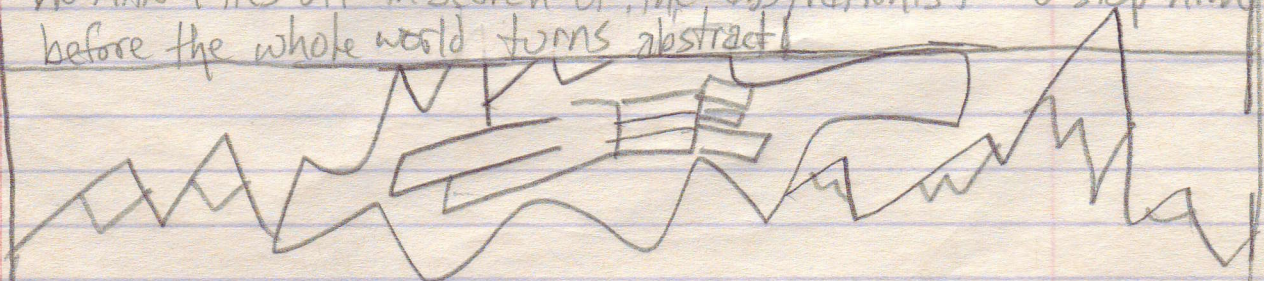

Oh, no! The
enemy of
every comic
book hero!
He must
be
stopped!

I have to
locate and
arrest
him! I
hate being
2-D
looking!

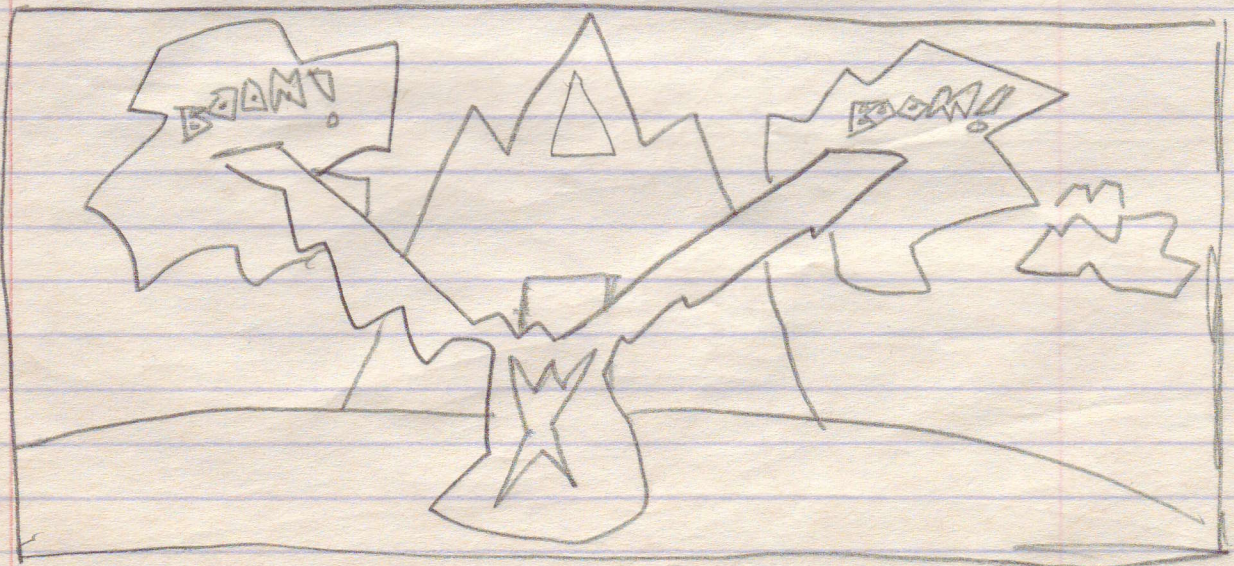

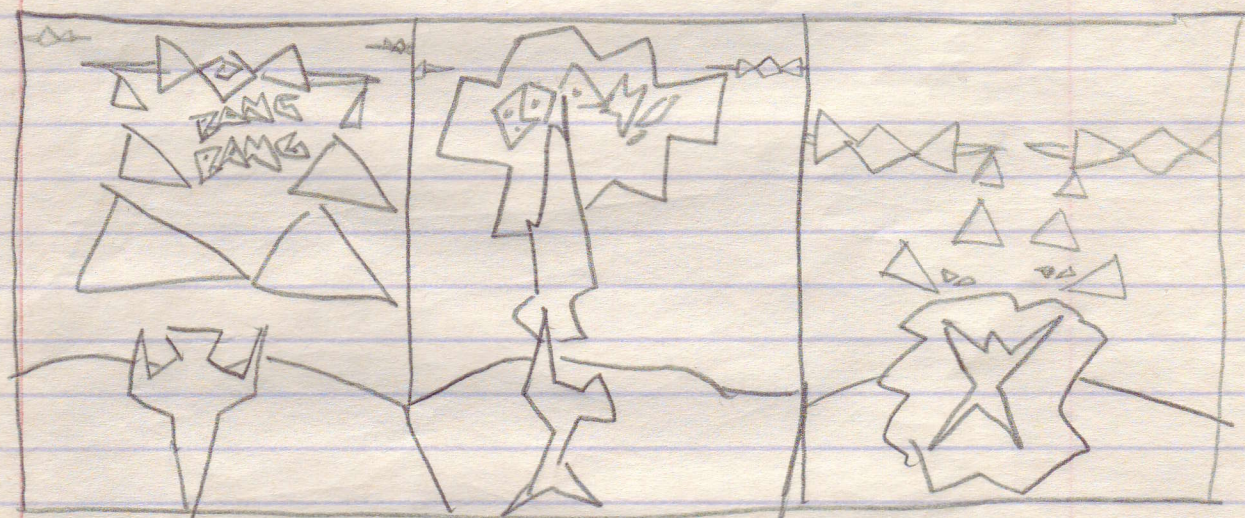

Vio-MAN flies off in search of the abstractionist to stop him
before the whole world turns abstract!

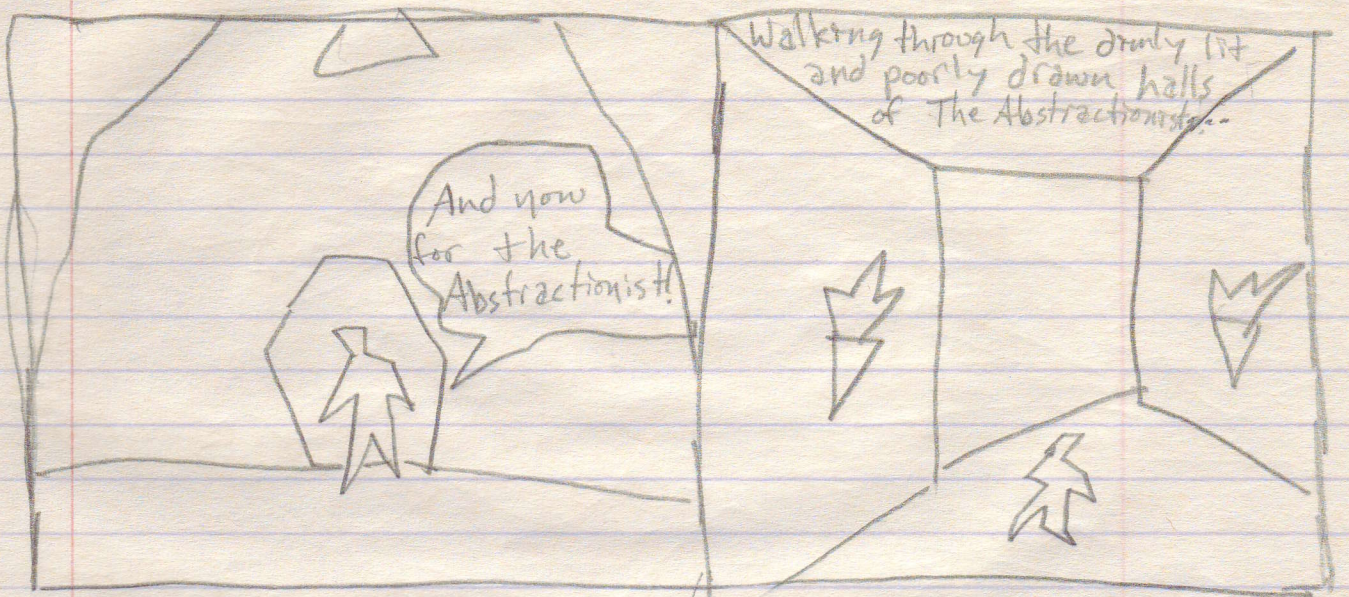

Suddenly, he encounters...

Abstract Robot planes!

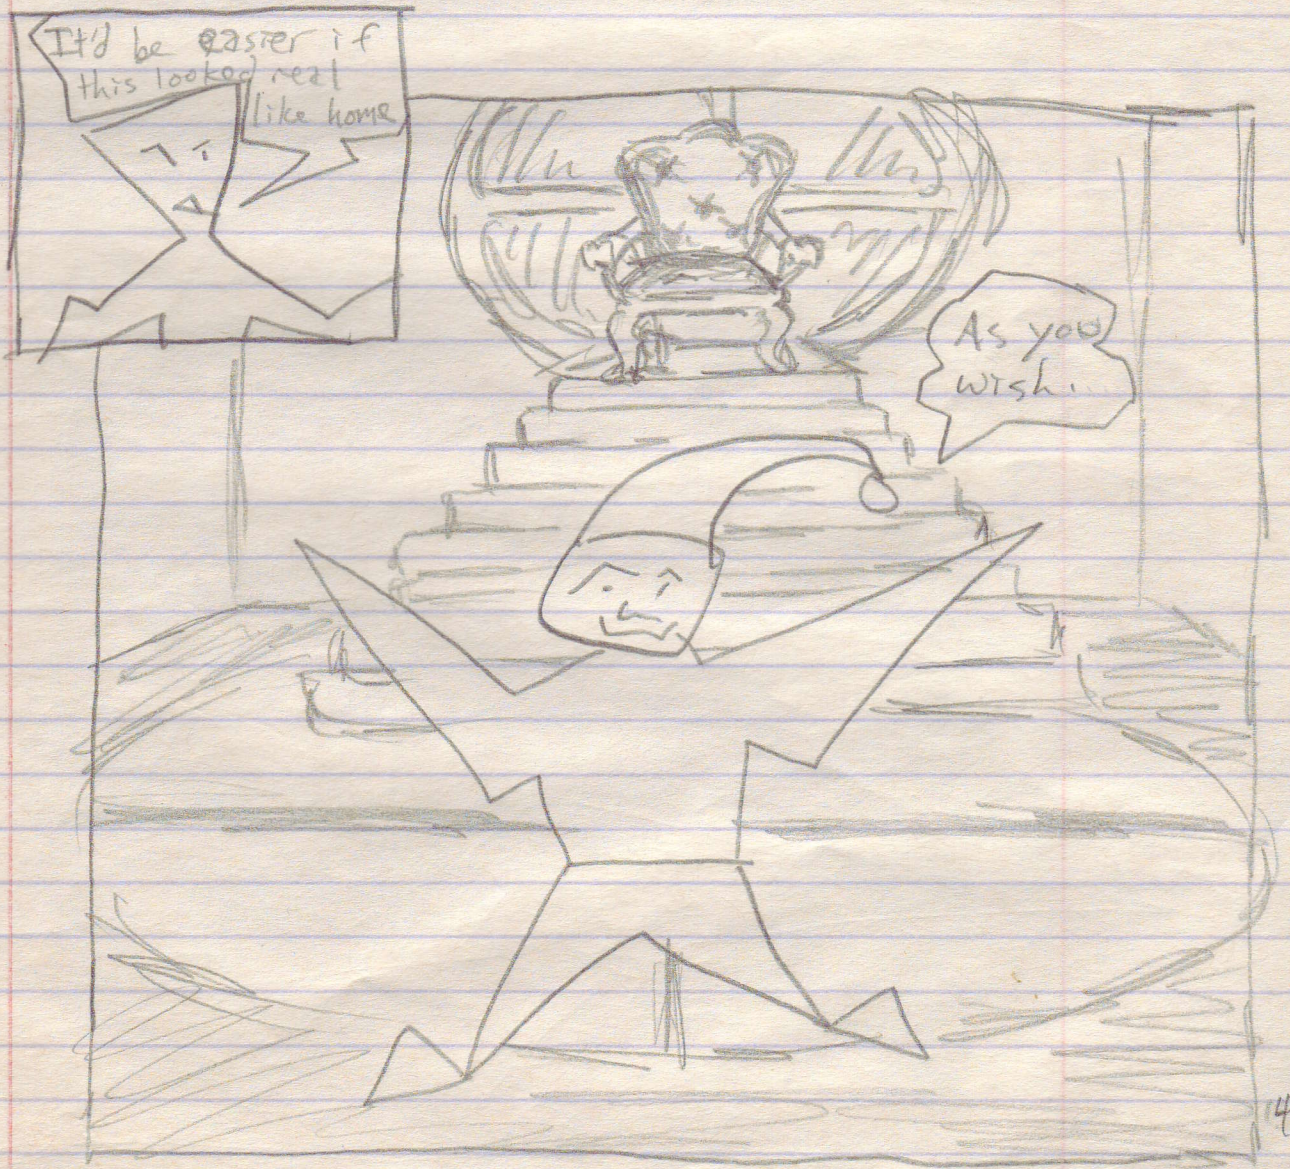

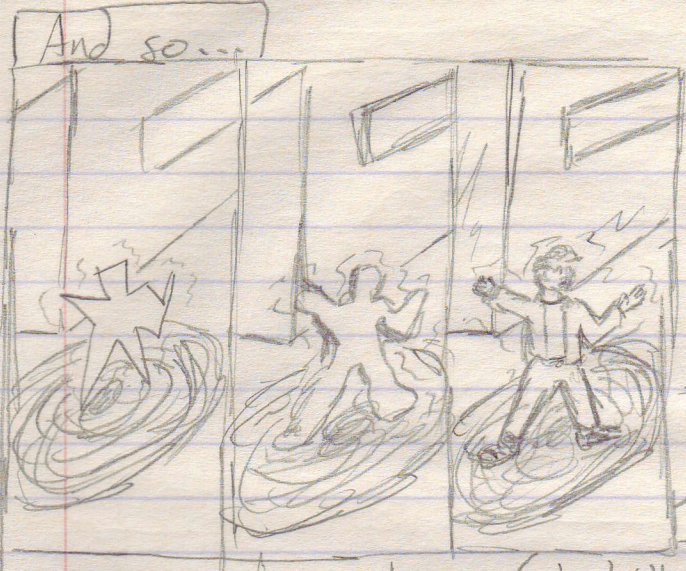

Walking through the dimly lit
and poorly drawn halls
of The Abstractionist...

And now
for the
Abstractionist!

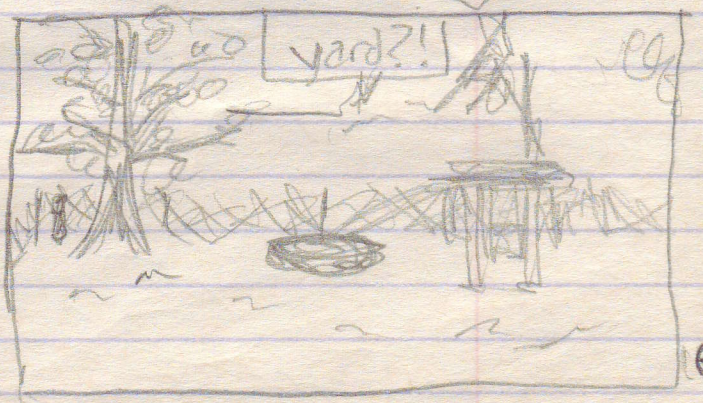

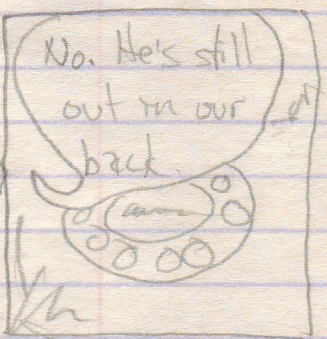

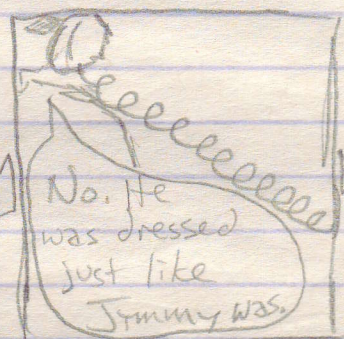

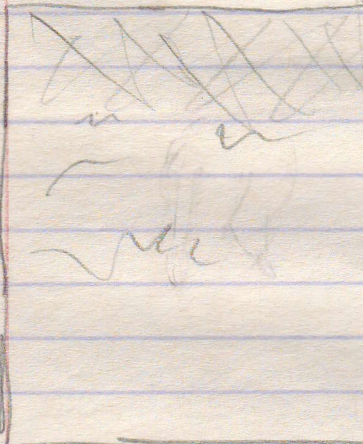

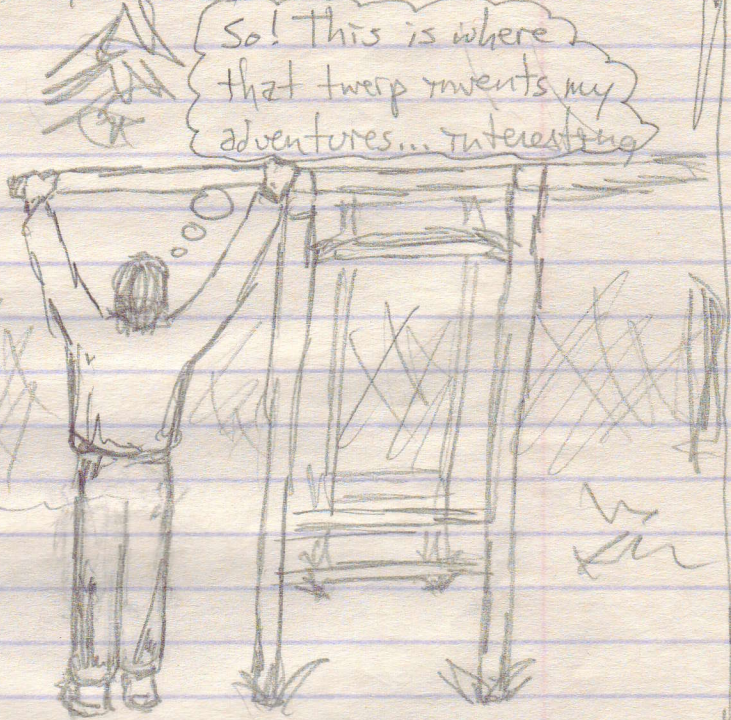

He soon stands in front of his impress-
ive throne room....

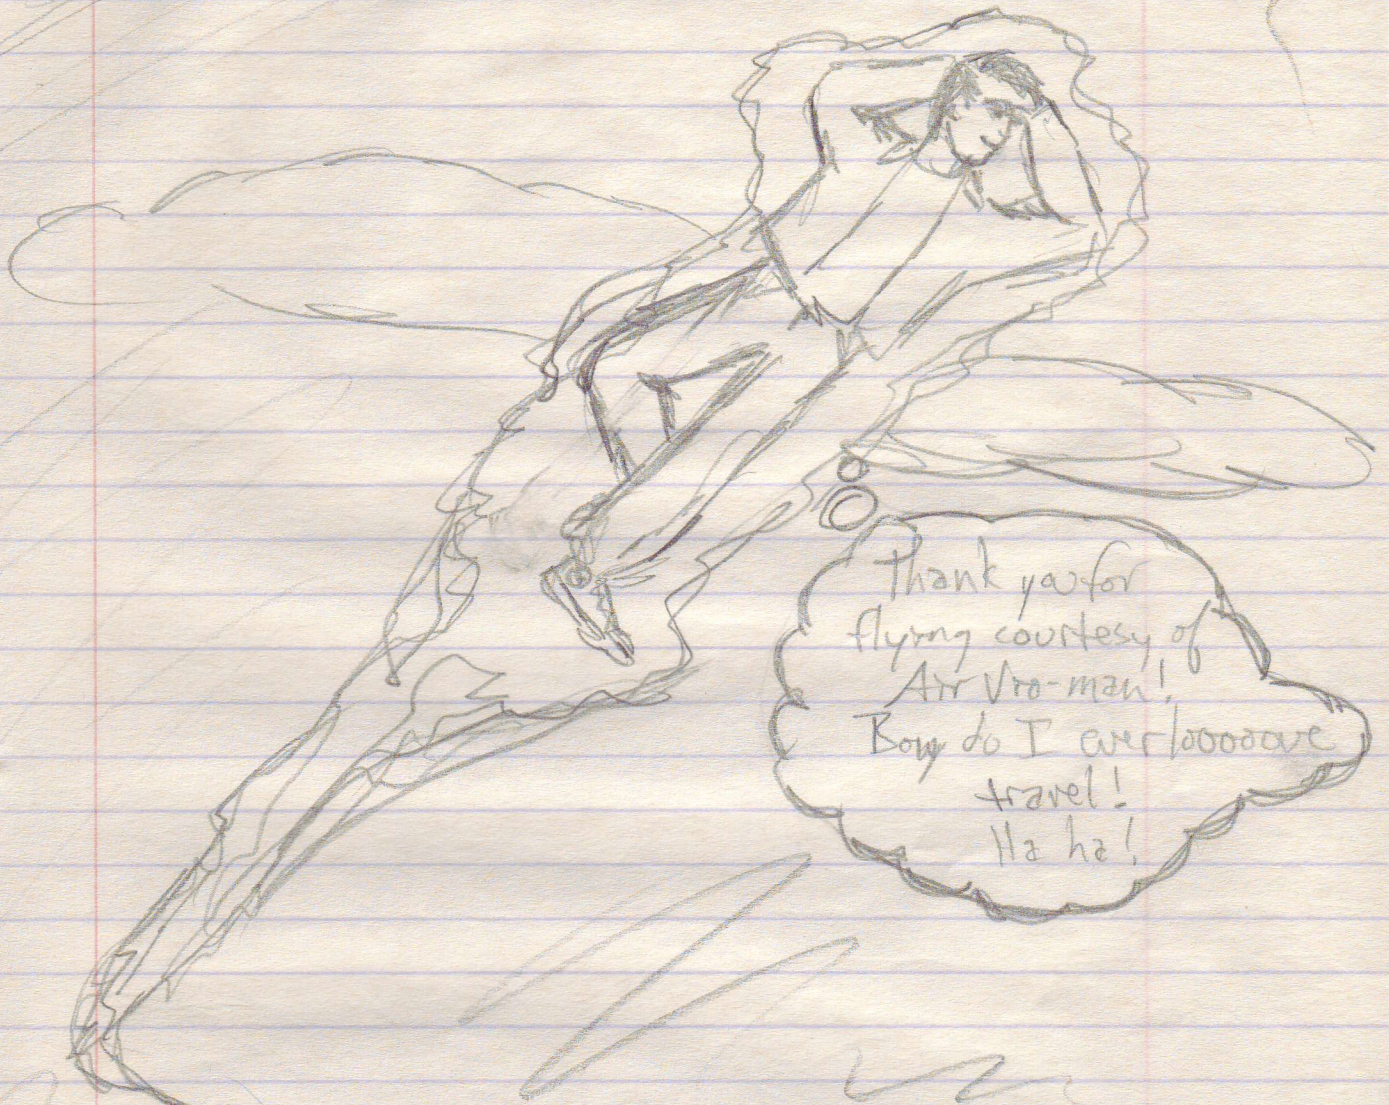

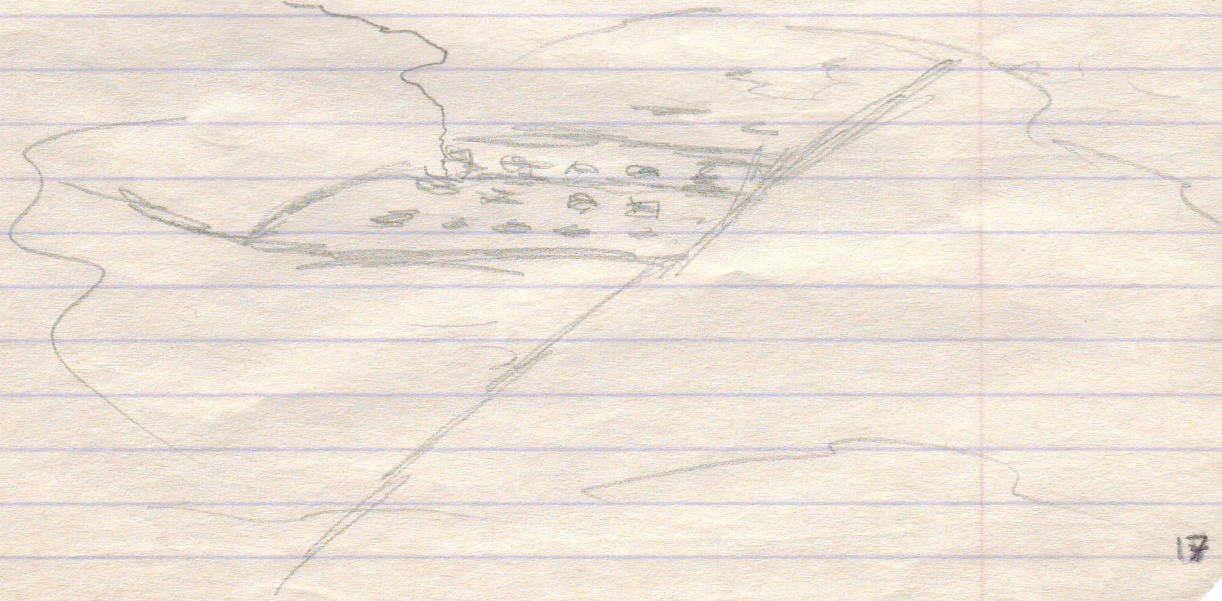

As we now move our story to the outside of Woman's head...

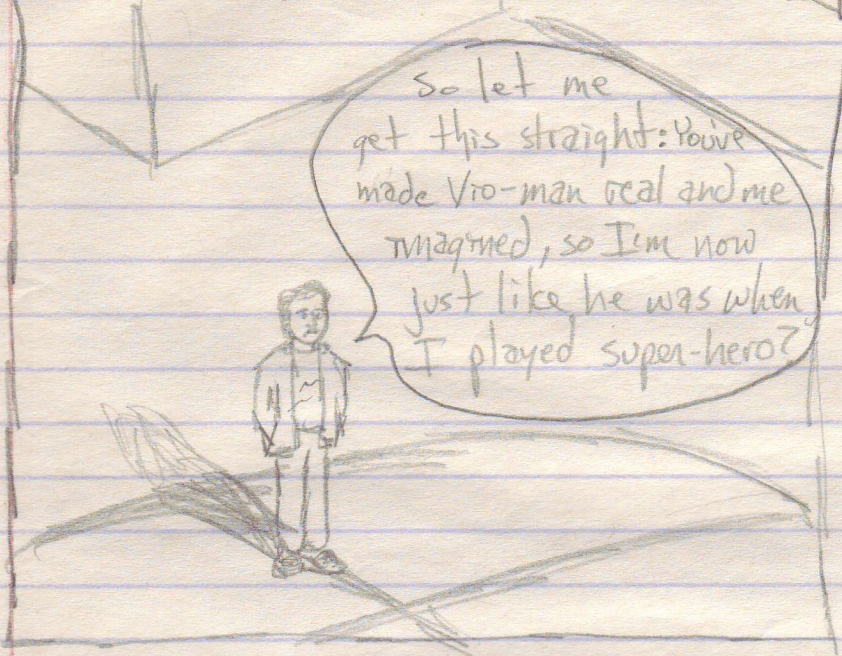

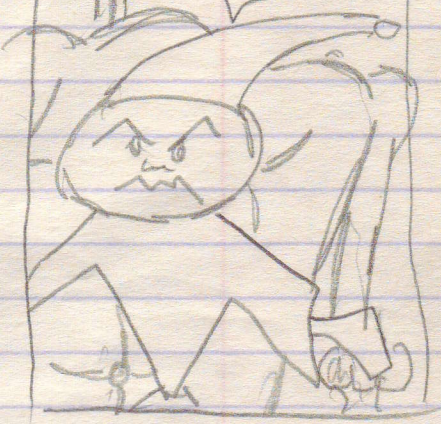

Thank you for
flying courtesy of
Air Vro-man!
Boy do I ever loooooove
travel!
Ha ha!

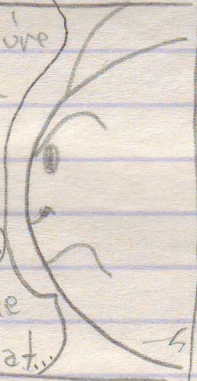

Back in our hero's brain

Close, runt. You see, you're still real only in a different way...

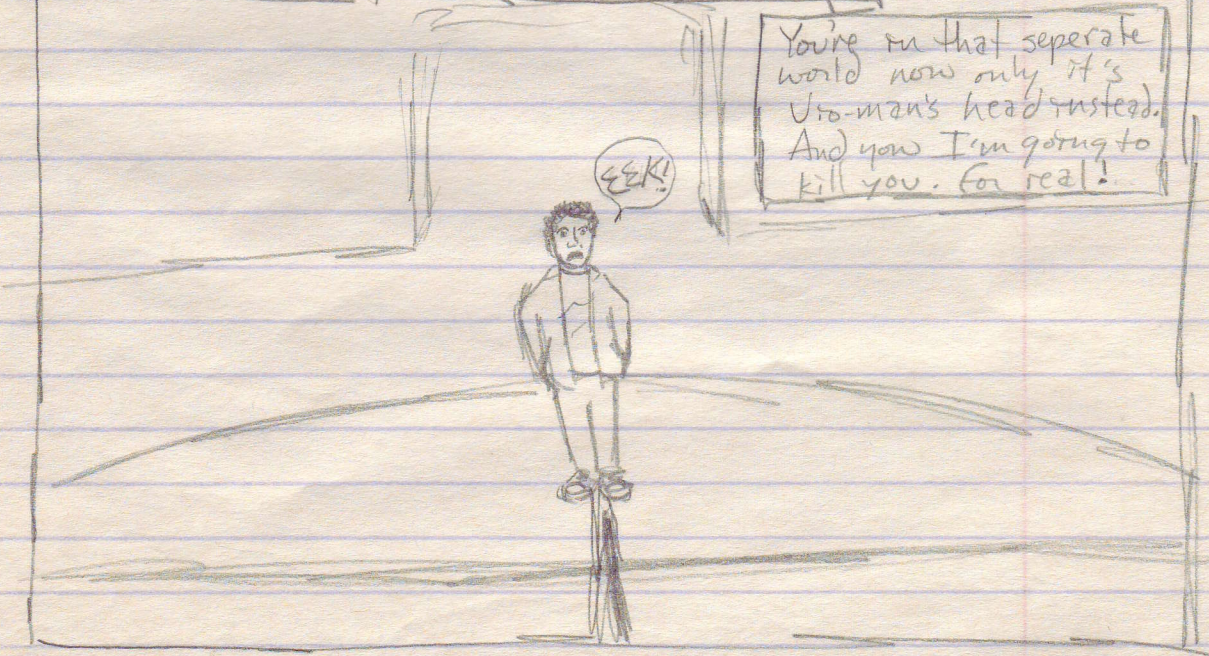

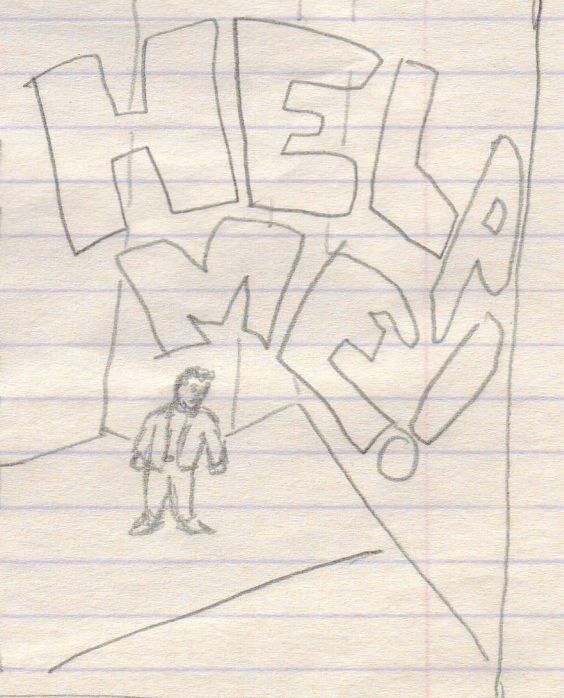

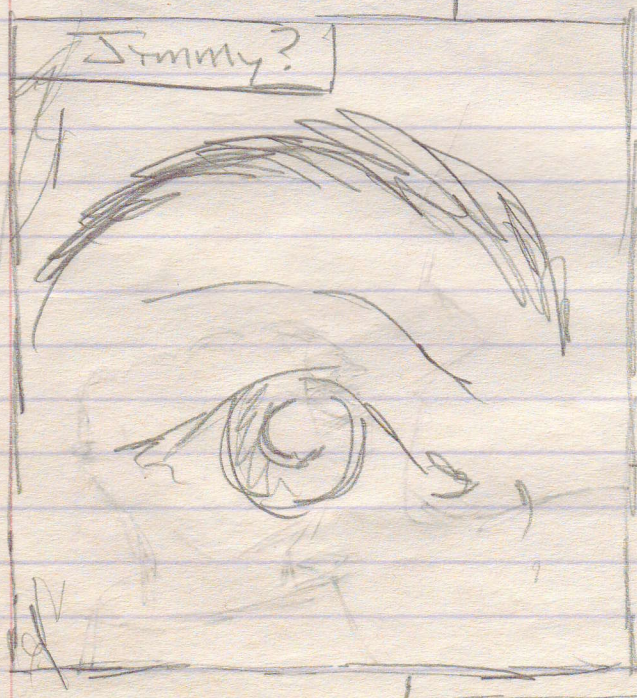

You see, you're imagination was too good. When you imagined me I became so "real" that...

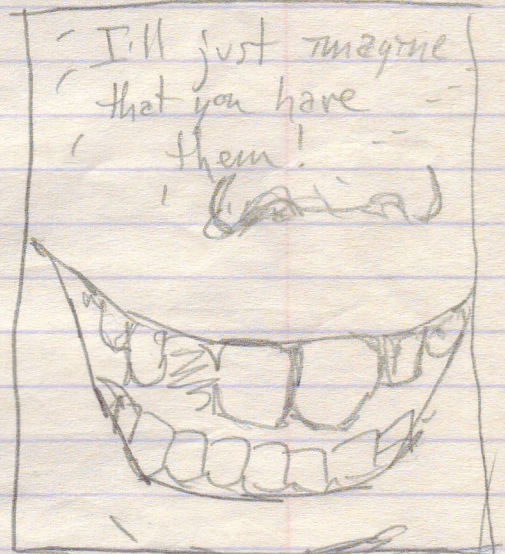

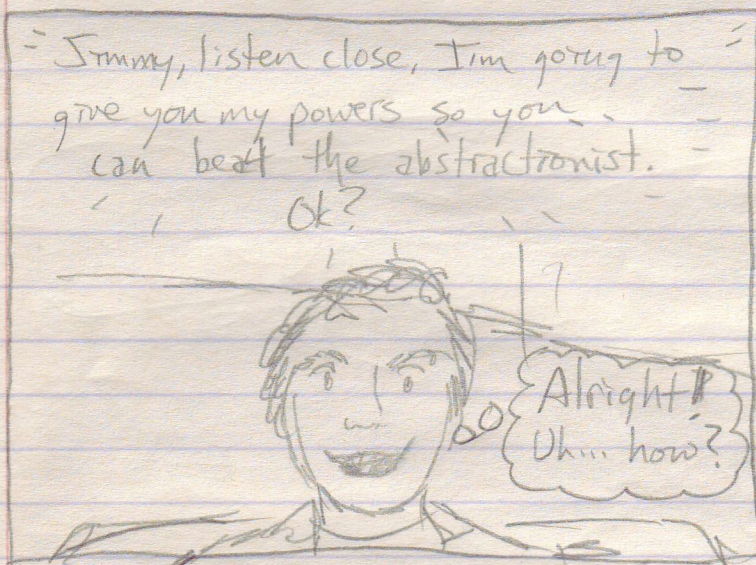

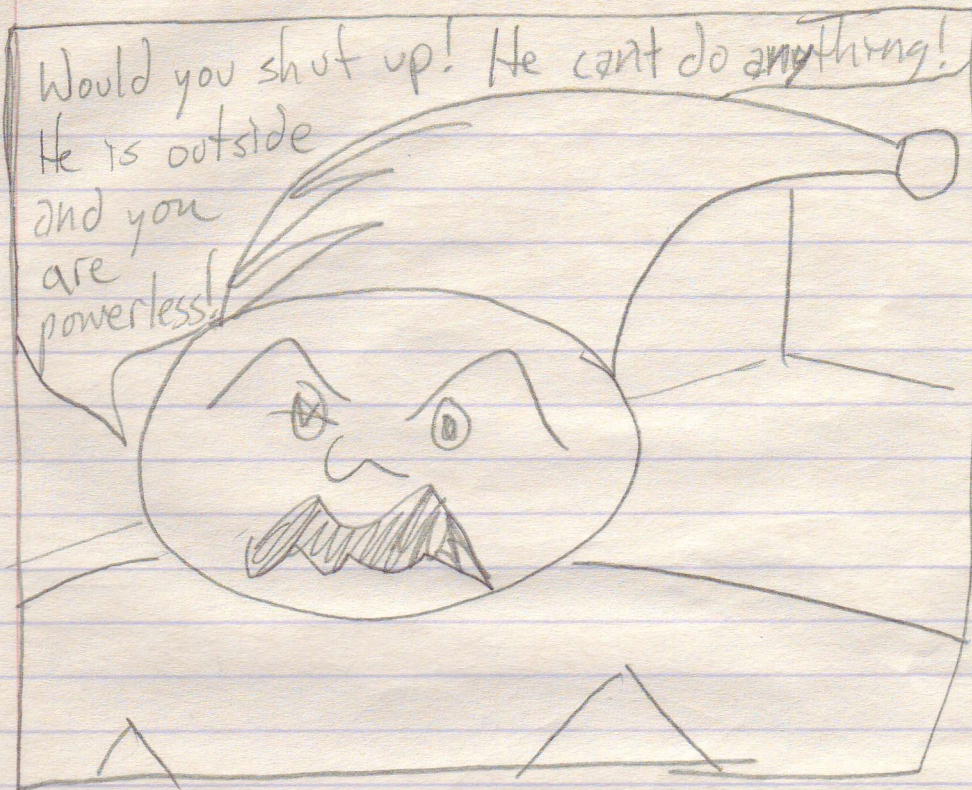

...I was able to use my power to alter reality (that you so kindly gave me) and make the world in your head a separate reality!

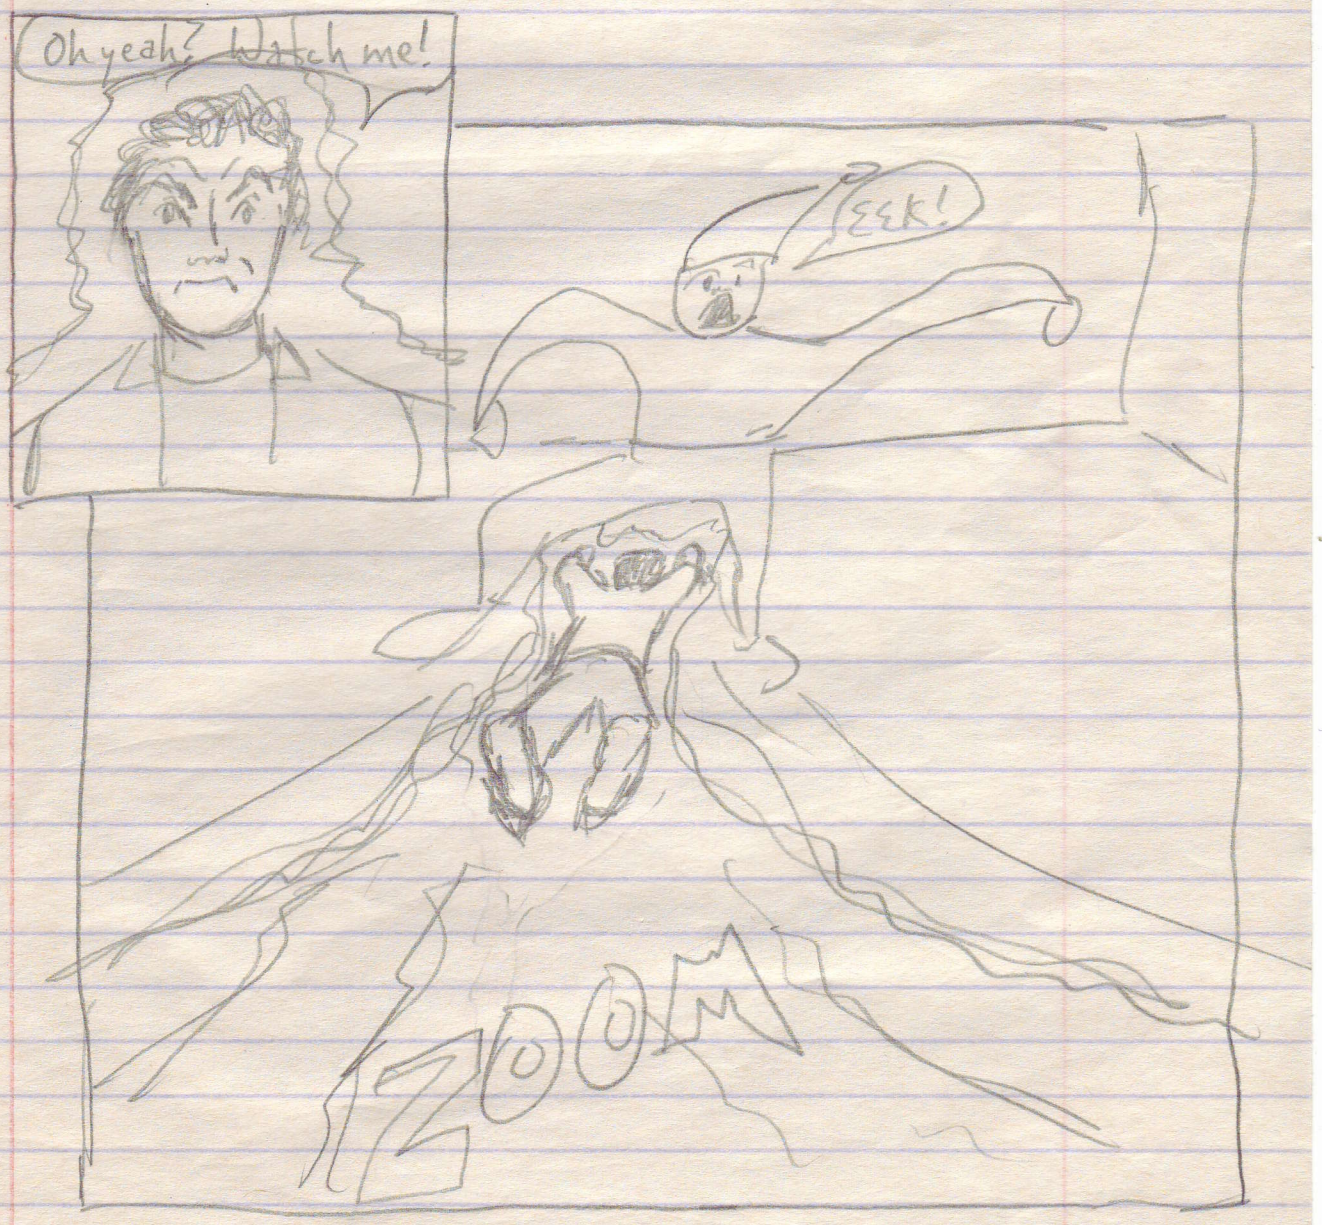

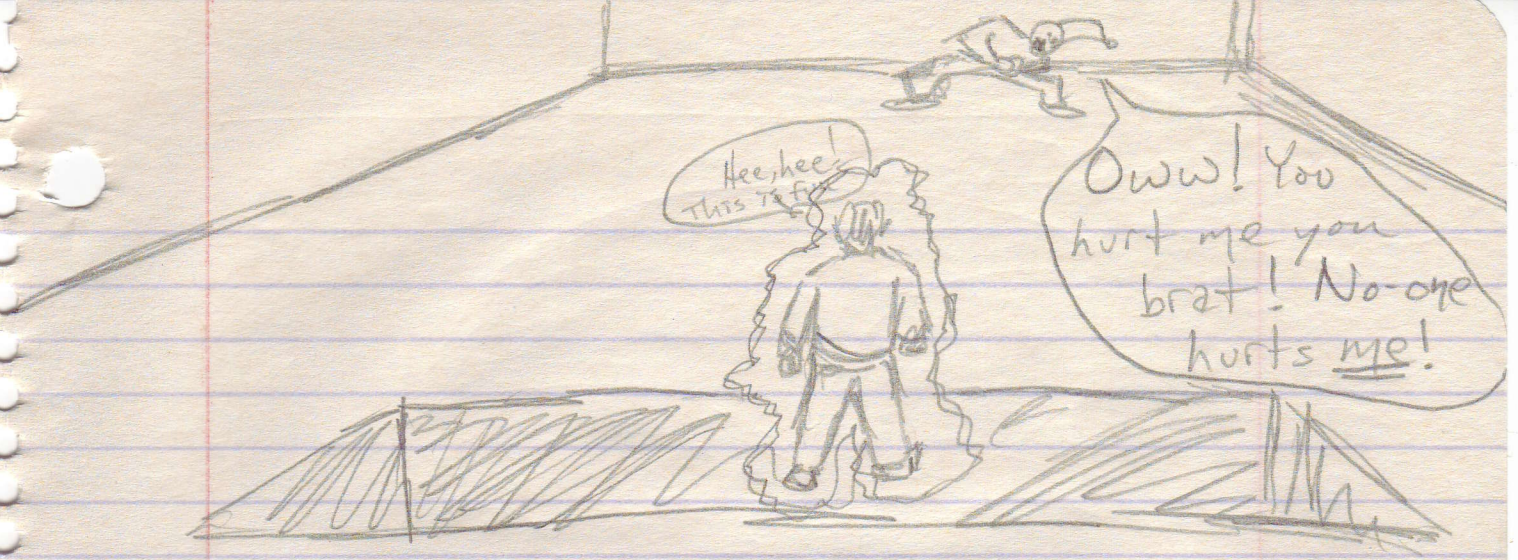

You're in that separate world now only it's Vio-man's head instead. And now I'm going to kill you. For real!

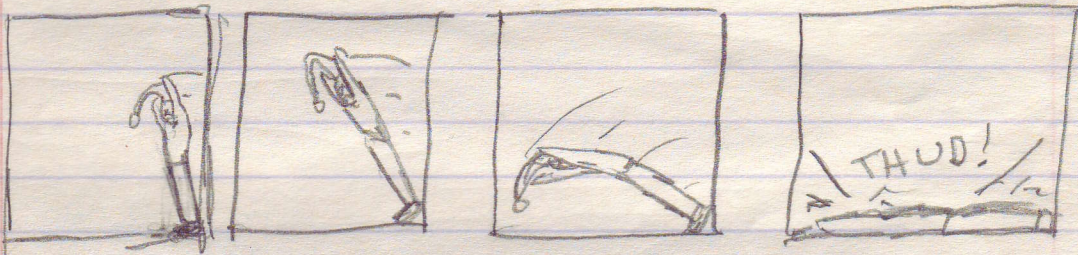

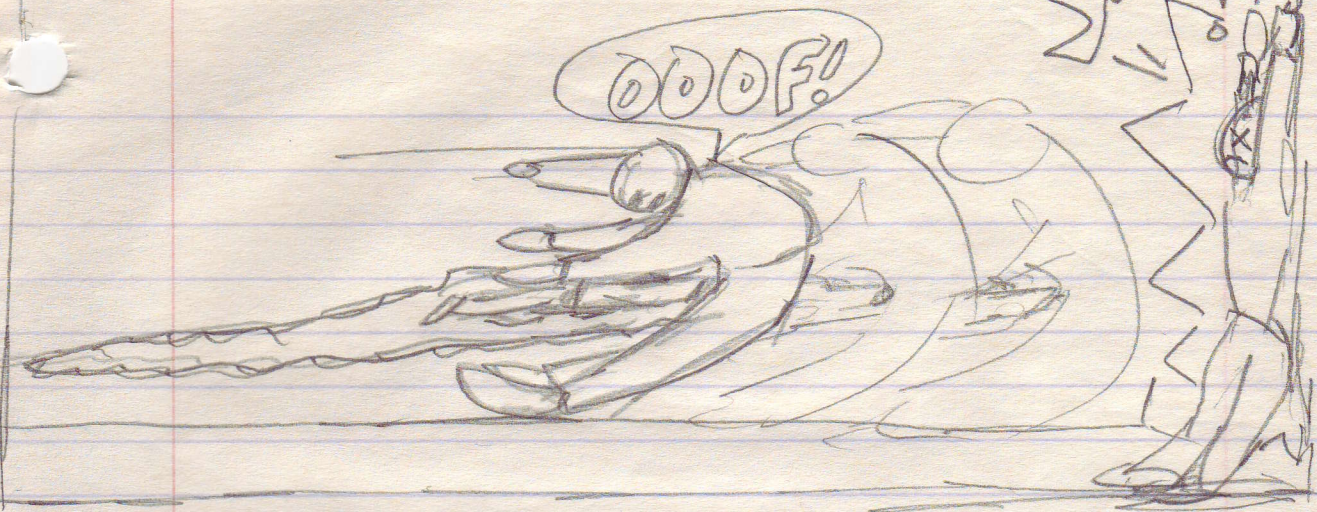

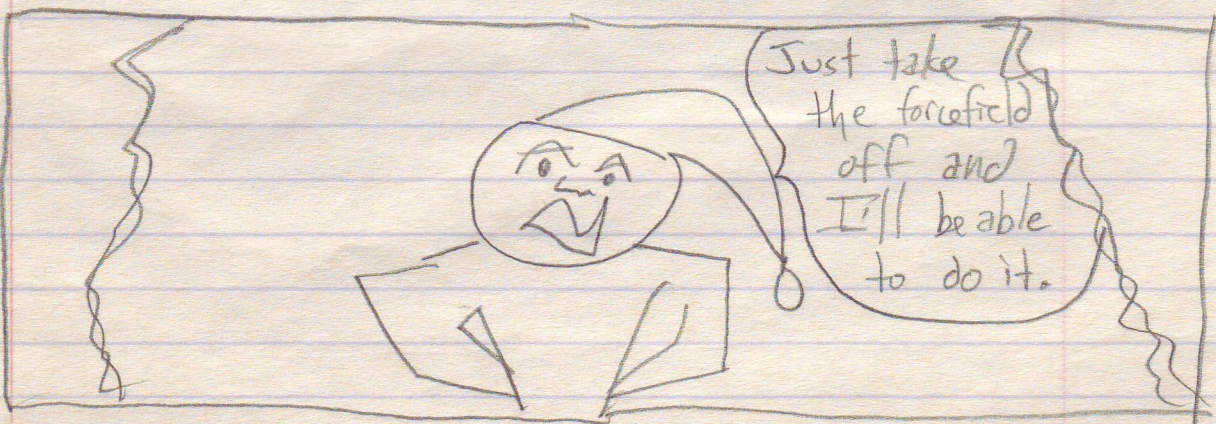

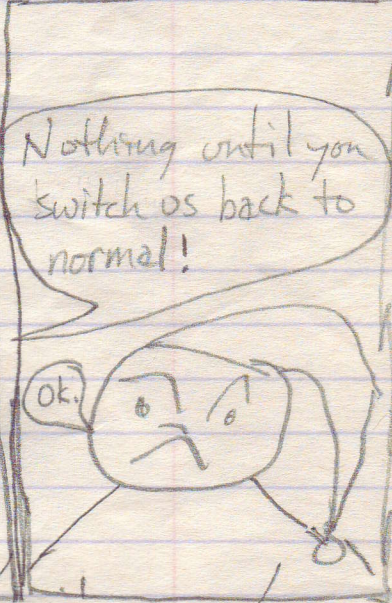

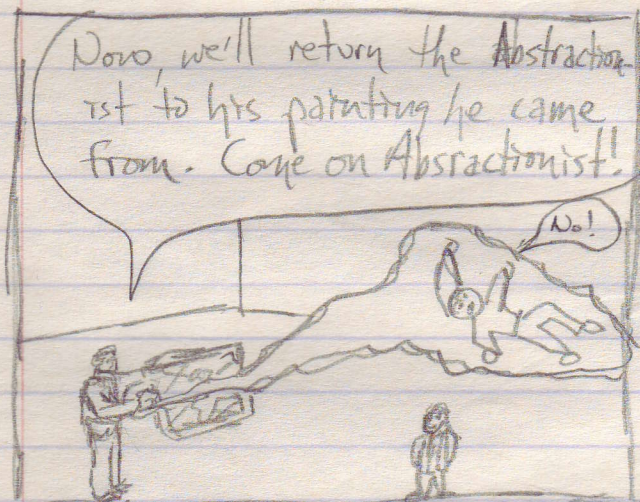

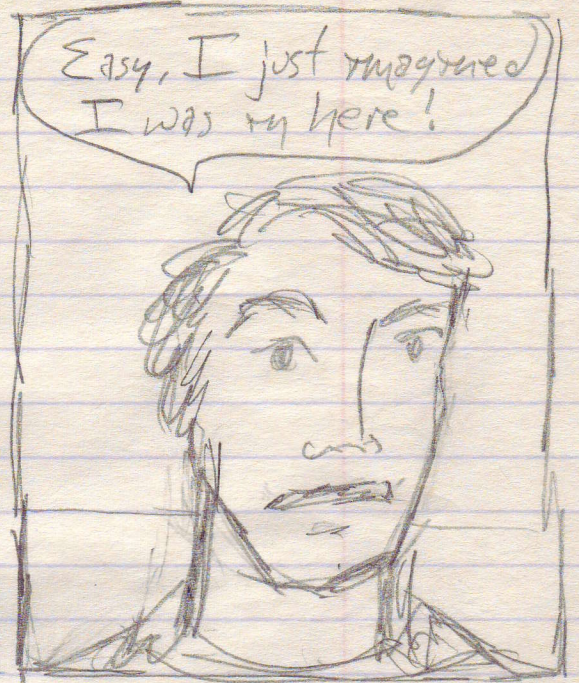

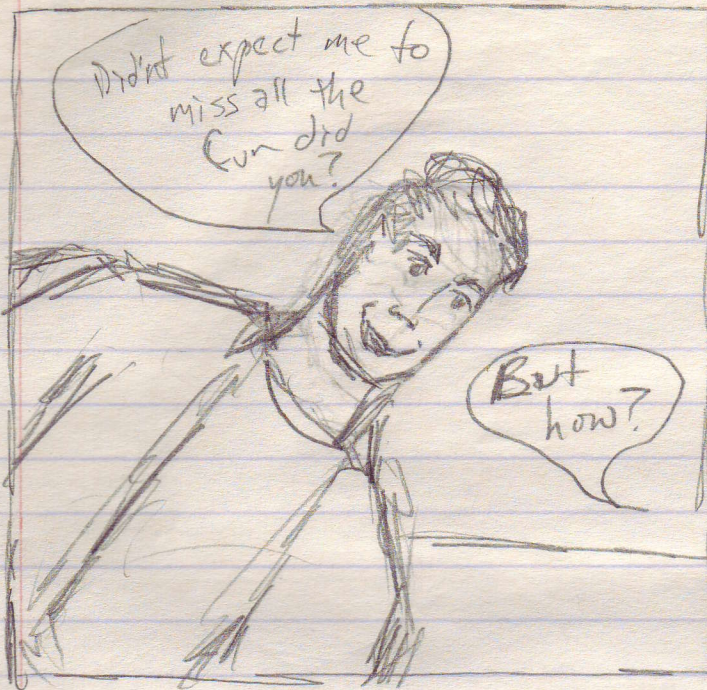

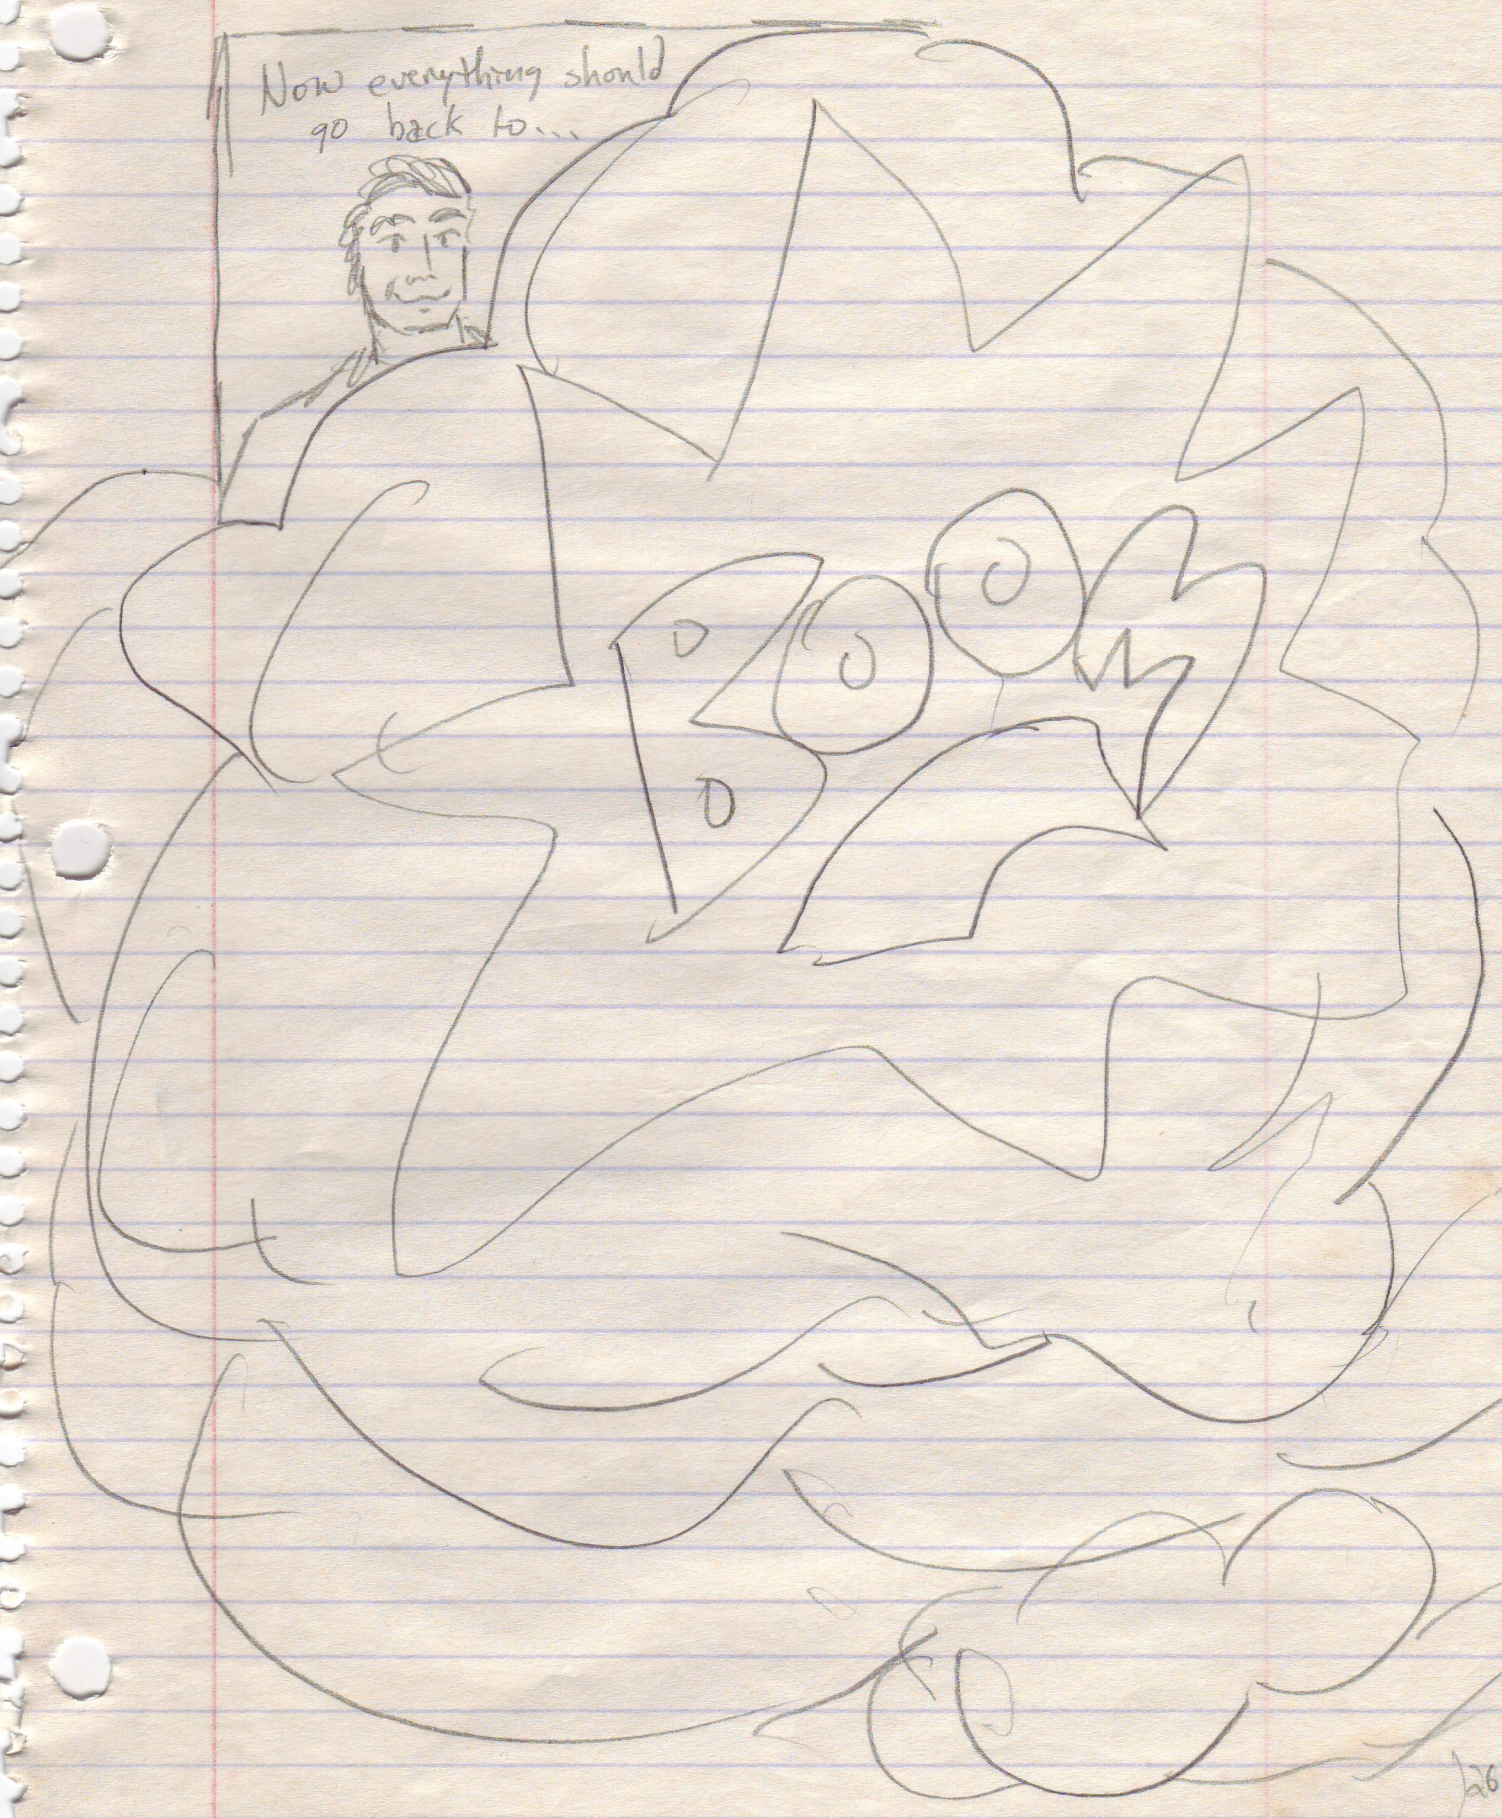

A few minutes and one ~~V~~ro-force field later...

Now everything should
go back to...

Yes, Ladies and gentlemen,
 something went
 wrong and Vro-man
 stayed a reality
 instead of going back
 in Jimmy's head. And
 that is the origin

of **VRO-MAN**

the world's most
 purple crimefighter!
 So join us next
 month when Vro-man
 faces...

TOILET MAN!

(hee, hee, just kidding. But see
 you next time anyhow!)

Yes, read the next
 one! There's more to
 the story, ha, ha, ha...

The
 End
